Attractive shops

Dominoes and a hotel

Hotels, B&Bs, a camper/caravan park within edge of the town

Affordable accommodation for visitors

More tourism

More help for people to afford rates and fill up shops

Tourism

Tourism

Tourism

I would love to see a farmer's market to be brought to Hawick

Young /modern business support/encouragement

Employment

Decent clothing stores

Better local shops to attract more visitors

Access to goods and shops I struggled to find something as simple as A4 envelopes, shopping online exacerbates the problem but often don't have any other option which is a shame

Clothing shops

Better opportunities for shopping/retail/lifestyle

Shops especially for clothing

Employment

Retail vision for the future and hope

Vibrant High Street, decent market, reason for people from other towns to visit here

Well paid employment

Knitwear heritage centre

Something that makes it a destination like the Tweed Valley has all the bike trails

Co-working space to make students stay here & work and be commuting students

Decent shops

Shopping outlets, High Street shops

Smaller independent shops

A High Street

Variety of clothes/she shops Mc Donalds or the likes

Job opportunities

Decent clothes shops

Variety of shops on High Street ie clothing

Clothing and footwear shops, B&Bs, Monthly farmers market – we have great produce in Hawick area

A good variety of small independent shops

High Street shops

Shopping

Shops

Outdoor wear shop

Vibrant High Street, it is evident that Farmers/craft markets are working in other towns such as Gala, Selkirk and Kelso to bring people into town and have a knock-on effect to their town centres and the businesses operating there – with Commercial Road being a bypass route from one end of the town to the other, could the High Street not act as a pedestrianised space for a monthly market? The civic space is hidden and takes folk off the High Street, when tested at Xmas, Reivers the market always seems well supported

Clothes shops – adults & kids

Indoor market, large central accessible café for wheelchair users/several prams

Missing shops – no option now but to go out of town for certain things

Shops

Investment! People drive through on way to Edinburgh but don't stop

High Street needs improving WLP alone can't bring people to park, though it is amazing

09. Housing & Community (1 PIN)

Good quality housing stock

10. Social Interaction (21 PINS)

Bowling alley maybe as somewhere different to meet, might also bring business from other towns as somewhere different

Somewhere for kids of all ages to go for entertaining themselves

A café would be great for the teens in the town and for families as well

Places for young folk

Entertainment for youth

Youth Hub recreational activities at WLP

Something for children/teenagers

A place where over 16s can go instead of pubs

Somewhere for disabled kids that are leaving school to do, more accessible areas for wheelchair users

A Youth Hostel

I also feel that some of the good that happens at Burnfoot Hub would be beneficial to others in the town but its just not accessible if people don't drive, anyone that would benefit people that require the help and support

Nothing too notable, but I think Deborah Lyons plans with old Wilton School would be a massive asset to the town and could potentially bring people into the town

Community spaces

Affordable venue for concerts, music etc.

Community rehearsal space for the Arts

Things for tourists especially family friends indoor spaces, nothing to do on summer evenings, everywhere is closed

Organised events which can allow the youth both good and bad to engage in!

Lots for families, entertainment venues for families re soft play, bowling etc.

Things for kids to do outwith school groups

A good cinema

Community Hub where people can learn skill, do evening classes. I realise that there is one more central to Hawick

11. Identity & Belonging (0 PINS)
